**Mr. Ajay Sachdeva CPEA, AcSAP**

In the background of current COVID 19 pandemic situation & companies starting to re-open, it is important to look at multiple perspectives. One of them is regulatory compliance. The enforcement is expected to be stricter due to the risks involved. Some of the key EHS regulations that are expected to be of significance will be covered.

**1. Epidemics Act 1897/ COVID Regulations 2020**

**2. National Disaster Management Act 2005**

**3. Indian Penal Code Sec 188**

**4. Biomedical Waste Management Rules 2016 amended -April 2020**

**5. Ministry of Home Affairs Guidelines Apr 2020**

**6. CSR Amendments**
